

Devil's Work

Written By
Scott Wray with Additional Lyrics by James Chan

I once knew this girl
She must taste like caramel
I tried to pick her up
But my lines don't work that well
Look through my old yearbook
To see her photograph
Sure love to fall in love
But I'm not sure it will last

I once knew this girl
She must taste like caramel
I tried to ask her out
She said "man you can go to hell"
Looked through my old yearbook
And burned her photograph
Sure love to fall in love
But I'm not sure it will last

She's so beautiful
The work of an artist hand
No...
No that's just the Devil's work
That's just the Devil's work

I once knew this girl
She must taste, taste just like petrol
I went and took her out
But my presence took it's toll
I tried to forget her
With another love affair
The joke was lost on her
But it wasn't lost on me

She's so beautiful
The work of an artist's hand
No...
No that's just the Devil's work
